## CHILD FIND NOTICE

The Wasatch Peak Academy Special Education Department is attempting to identify all children with disabilities who are currently enrolled at the school.

If a child is having significant difficulty with vision, hearing, speech and/or behavior or is experiencing slow development atypical for his/her age, physical impairments or learning difficulty then he/she may be a child with a disability. Disabilities that could interfere with education include: autism, deaf-blindness, and deafness, emotional disturbance, hearing impairment, intellectual disabilities, multiple disabilities, orthopedic impairment, specific learning disabilities, communication disorders, traumatic brain injury and visual impairment. Federal law mandates the provision of free educational programs and/or services for such persons.

If you know of a current WPA student who might qualify for Special Education services, including a student suspected of having a disability even though he/she is advancing from grade to grade, please contact the school's SpEd Department at 801-936-3066 or email Mrs. Esko at [aesko@wasatchpeak.org](mailto:aesko@wasatchpeak.org) or Mrs. Shepard at [sshepard@wasatchpeak.org](mailto:sshepard@wasatchpeak.org).
