A NOTE FROM MS. PILKINGTON:

It is the last week to do the Parent Survey. Please complete it as soon as possible. Thank you!

A Message from Our School Board

Hello Fabulous Parents at WPA,

Once a year the WPA Board of Directors asks parents to complete a quick survey. We use this tool to gauge how things are going at WPA. **This survey is anonymous.** It provides us and the principal with valuable information about the students' learning, success, and school climate. It also allows parents a place to give feedback and praise regarding all the hard work done by the teachers and administration at WPA. We appreciate all suggestions and comments. The PTO has also included a few questions this year as well. Thank you so much for your time. Please log volunteer time for completing the survey. We all work together for the success of the amazing students at Wasatch Peak Academy.

Sincerely,

WPA Board of Directors

Here is the [link](#) to the survey. **It will be available through Friday, April 26.**

May 23

-Field Day
-6th Grade
Graduation at 6:00
PM

May 24

-Last Day of School
-Early Out

calendar of events

Announcements:

IT'S PIÑATA TIME!!!

This year, instead of having a cultural week, we will be extending the week to a whole month! Every Thursday (Wednesday for 6th graders) the students will learn about a Latin American country and on Fridays, they will participate on an activity or craft based on the information that was learned. This year, students will learn about Guatemala, Peru, Spain, and Mexico. We will end our cultural presentations with the breaking of the piñatas, which will take place on Friday, May 3rd. The school will be providing the piñatas for each class. However, we are in need of candy. If you would like to donate a bag or bags of candy, please send it to school with your child as soon as possible. The more candy we collect, the more candy the kids will have in their piñata! Gracias!

**Congratulations to Jennica Welch as the
new PTO President Elect for the
2019-2020 school year.**

Congratulations to our Speed Stacking Club!
They didn't bring back the trophy this year, but the students had a blast and won a lot of individual and team awards.

radKids graduation for Mrs. Pawlowski's class will be Friday, May 3rd at 9:45 am to 10:45 am. Parents are welcome to come and see what their students have learned in the radKids program.
