A NOTE FROM MRS. PILKINGTON:

What a wonderful time of year. We love seeing all of our students and staff back on campus and feeling the hopeful energy that comes with the start of a new school year. We have such dedicated, passionate educators, support staff, and families here at WPA. We are excited to see families new and old at back to school night tomorrow night. There are some great new changes we are excited to share, including...

- New textbooks for our English Language Arts program
- Upgrades to our security systems making the building safer for students.
- New sign-up pages on our website to make getting your 30 volunteer hours easier!
- New TV's in classrooms
- New math support program (I-Ready) helping us to better individualize your student's education
- New Teachers for our Art and Technology programs
- A new licensed teacher for our after-school music programs (check out her table at back to school night)
- Upgrades to our communication system allowing us to send you information via text messages

We are excited to make this another amazing year of growth and opportunity for students. We appreciate your continued support as we jump into another school year together!

Mrs. Pilkington

USED CLOTHING will be available in the front of the school for the next week. Stop by and check out what we have. It's a great time to restock. Each item is \$1, payable at the front desk.
